Dear Min Datta

I am just writing to thank you for performing my surgery last Monday 15<sup>th</sup> September in Redwood EC, when you performed a vag. hyst & ant repair.

I did not have an opportunity to thank you personally last week when you came to see me on the ward, as I thought you were coming back to my room after seeing the nurse.

Therefore, I would like to express my gratitude to you for your skill and care.

Everything in Redwood was absolutely excellent and I thought you and your team were marvellous.

With many thanks & best wishes

Yours sincerely,

Susan Hedge
