Dear Miss Data,

Your Ref: SD/ac/400006867

I would like to thank you for **taking on** the operation that you did for me in November.

Although it has taken me a **while to get** over this it has been a great success, I am not getting any pain at all.

I would also like to say how **well I was** treated by yourself and your team.

Yours sincerely,

*M. J. Jones*
